

SISONS is a project of great interest for the Galician cultural sector and the northwest of the Iberian Peninsula, due to the quality of the proposal that will be selected, the objective of its dissemination and the promotion of the joint interests of music in Galicia.

To this end, during the celebration of the fair/festival we will try to seek synergies with other entities to reach other audiences and strengthen communication from tourist, environmental, social and educational aspects, collaborating with other agents and other sensitivities with music and its values.

CALL FOR PROGRAMMERS AND PROFESSIONALS SISONS ENCLAVE MUSICAL 2022

SISONS invites programmers and music industry professionals to participate in SISONS 2022. It is a meeting open to the public that will bring together professionals from the music sector, will feature a multitude of talks, lectures, showcases, concerts and parallel activities. The main objective is the revitalization of cultural life and the promotion of musical and artistic activities.

By means of this public call, professionals are invited to apply to participate in the activities that will take place during the celebration of SISONS Enclave Musical 2022, and thus have the opportunity to take the first steps in a project of dialogue, creation of new forms of dissemination and promotion of music in Galicia.

CHRONOGRAM FOR THE CALL FOR PROGRAMMERS

Opening: May 13, 2022

Closing date: July 31, 2022

Publication of participants: August 15, 2022

PARTICIPANTS

This call is aimed at professionals in the sector, public and private programming managers, concert hall programmers, fair and festival programmers, among others.

PRESENTATION OF THE PROPOSAL

The registration process must be carried out through the virtual platform www.sisons.gal

For PROFESSIONALS and PROGRAMMERS:

1. Accept the terms and conditions of the call, as well as the handling of data by the organizing entities of the event.
2. Complete and finalize the registration within the established deadline. All those registrations that are incomplete, completed after the deadline or that do not accept the established terms and conditions will be excluded from the process.
3. Must provide documentary proof that they hold a position as programmer, whether public or private.
4. By registering, the participant authorizes the organization to take and publish photographs of the attendees at the events in which he/she participates, in order to promote and disseminate the event.

PARTICIPATION OF PROFESSIONALS IN BUSINESS SPEED MEETINGS

For participation in the business roundtable sessions, which will take place on Friday, October 14 from 10:00h to 11:30h and Saturday, October 15 from 11:00h to 12:30h, and with an approximated duration of 10 minutes, programmers who want to participate actively, may express it in the corresponding box on the registration form, with the purpose of having a proactive dialogue about the new challenges, concerns and projects of the music ecosystem. This activity will have no registration fee for programmers.

In the case of wanting to participate actively, programmers must specify it in the registration form.

ABOUT THE ARTISTIC SAMPLES

SISONS will schedule promotional presentations that will last 30 minutes, lectures... in addition, business rounds will be held, where suppliers and demanders will be able to present their concerns and achieve a convergence in the interests of both.

The planned presentations will be made by the artists selected by the organization and will be aimed at professional programmers and SISONS participants in general.

RIGHTS AND OBLIGATIONS OF THE PARTICIPANTS

The participants in the call for entries undertake with the organization of the event to:

- Comply with the rules of copyright protection with each and everyone of the products, artistic works, interpretations or artistic performances, which are part of the proposals submitted.
- To certify in documentary form that the programmers, whether public or private, at the time of the execution of SISONS, are in compliance with labor and administrative regulations, presenting any documentation referring to the activity, requested by the SISONS organization within the time period and in the manner determined by the latter.
- Accept the bases and regulations of the call for applications, as well as any clarification or modification of the same.

- Comply with the conditions indicated in this document, it being understood that the participant must practice them during the entire term of the call.
- If at any time the interested party fails to comply with one of these conditions, he/she may be excluded from the call for applications.
- Accept the result of the call and actively participate.
- Attend and participate in SISIONS 2022 to be held between October 13 and 16 in Santiago de Compostela.
- Professional programmers interested in participating in the established events and activities, should take into account that the organization will assume the costs of overnight stay and meals for the attendees for the 13th and 14th of October.

Important: The organization will cover the costs of accommodation and meals for 30 places for programmers.

DUTIES OF THE ORGANIZATION

- Provide properly equipped spaces for the different activities organized for the participation of programmers.
- Develop a coordinated work plan that allows for the correct execution of presentations, speed meetings and showcases.
- Convene and invite programmers, producers and other professionals interested in the cultural offer.
- Organize and coordinate SISIONS 2022 to be held from October 13 to 16, 2022 in Santiago de Compostela.
